

## WHAT WE DO

The project aims at developing an inclusive methodology based on intergenerational solidarity as an approach which promotes the community involvement in the education process for children (3-6 y.o.). It creates open-dialogue environments to facilitate opportunities.

## FOR WHO

- Educators and Teachers
- Children (3-6 y.o.)
- Volunteers
- Local communities

## HOW

- Online Training for teachers
- Toolkit for Teachers and Volunteers
- Guidelines for Community
- Policy Recommendations
- Assessment tools about impact
